***Important information**

If, as a parent, you give a child a gift of money that produces more than £100 gross interest a year, the income will normally be taxed as yours.

The majority of children do not pay tax on their interest earned from their savings, entitling them to Gross interest.

You need to complete a Revenue and Customs R85 form for your child to receive this benefit.

'We look forward to hearing from you'

Our lines are open from 8.30 am to 4.15pm Monday to Friday. At all other times please leave your name and number on our messaging service and we will call you back as soon as we can... alternatively, please send us an email. All enquiries are treated in confidence.
