Overdraft interest: Arranged and Unarranged	10.75% APR (variable) or 11.19% EAR. This is subject to change. APR stands for Annual Percentage Rate and represents what the interest rate would be if charged and added to the amount owed once each year including additional fees. To compare with other providers our APR is equivalent to 11.19% EAR. EAR stands for Equivalent Annual Rate and is the annual interest rate of an overdraft. This means you are charged over the year based on how often and how much you are overdrawn by, and the effect of compounding it – charging interest on interest already charged. This interest rate does not include any other fees and charges. Maximum charge: The maximum charge for returned items per calendar month is £60 – even if the total of individual returned item charges exceeds this. This maximum charge applies to returned item charges only. This maximum charge does not include the interest rate charge for arranged and / or unarranged overdrafts.
